

**COLLEGE OF PUBLIC HEALTH  
EXPLANATION OF MANDATORY FEES\***

**PER SEMESTER**

- **Public Health Instructional Resource Fee:** This fee supports the operation and maintenance of the college's computer labs and classroom equipment. The fee also includes any software licenses that are required for classroom instruction.
- **Student Services Fee:** This fee supports the cost of processing admissions, enrollments, and graduations for the Professional students within the college. The fee includes the cost of dedicated personnel resources, office supplies, copying costs, and telephone charges associated with performing these student services functions.

**PER CREDIT HOUR**

- **Electronic Media Fee:** This fee supports the development and maintenance of web based learning experiences. The fee includes the cost of web based software, a media server and it's maintenance.

**PER COURSE FEE**

- **Practicum Fee (CPH7941):** This fee supports the cost of screening student practicum applications and agreements, conducting practicum orientations, collaborating with external organizations and agencies for potential practicum opportunities, serving as a liaison between student, practicum advisor, and preceptor agency, and administration of practicum database.
- **Classroom-Lab Supply (OEH 5743):** This fee supports the cost of supplies consumed in this laboratory course, as well as a portion of lab equipment maintenance.
- **Public Health Testing Fee – MPH students only (BSE 5113, BSE 5163, HAP 5453, HPS 5213, OEH 5013):** This fee supports the cost of the CPH exam and its administration. The fee includes the administrative costs associated with student registration and the implementation of the exam and study sessions to prepare for the exam.

\* Mandatory fees are eligible for increase once per academic year, effective with the Fall term.
