

OU Hudson College of Public Health-OKC

Fall 2020 Class Schedule

August 24, 2020 – December 18, 2020

All Professions Day to be held virtually-November 6, 2020 required for new MPH and MHA students.

Due to COVID-19, our courses are being delivered in a variety of methods including in-person, zoom or a mix of in person, videos, zoom or other synchronous delivery modes. If only a room number is listed, the course will be delivered in person. Several courses have a room number and a notation such as room 150/zoom only. These courses will be delivered via zoom or other synchronous methods, however, a classroom has been reserved for students to participate from your laptop, if desired. Some classes are listed as 150/zoom/in person which means the course will be delivered as a hybrid course with some meetings via zoom and some in person meetings. The instructor will provide meeting information and instructional delivery format details in the syllabus, if not indicated below. Remember, masks are required for all individuals in the building.

In addition, anyone away from campus for 7 consecutive calendar days or who experiences a scenario such as travel outside of Oklahoma as noted in the COVID-19 policy must complete the COVID-19 Screening and Reporting tool prior to returning to campus. This also means that new students and students returning to campus for the first time this semester must complete this screening tool before coming to campus.
