Return to In-Person Instructions and Operations: As of August 6, 2021, our plan is for most Fall 2021 instruction to take place in-person at the OKC campus, unless the course is otherwise designated (see below for details).

COVID-19 Update:

In accordance with updated CDC guidance, University policy, and state law, our College strongly encourages vaccinations and masking indoors, regardless of vaccination status - noting these are the best ways that we can protect each other during the pandemic. We also encourage social distancing, when possible. Masking continues to be required in transit buses and shuttles in compliance with Department of Transportation mandates.
