

OU College of Public Health-OKC

Spring 2021 Class Schedule

January 19, 2021 – May 14, 2021

All Professions Day-February 26, 2021

Due to the COVID-19 pandemic, our courses are being delivered in a variety of methods including in-person, Zoom, or a mix of in-person, videos, or other delivery modes (please see details and three hypothetical examples below).

- If only a room number is listed in the room column, then the course will generally be delivered IN-PERSON. For appropriate circumstances, some of these courses may offer students a synchronous learning option through Zoom—where students could participate in the course “live/in real time”—subject to instructor/university approval.

o Example:

Course Number	Course Title	Credits	Time	Day	Room	Instructor
ABC 1001 001	Prin. of ABCs	3	12:00-2:50	M	220	Professor A

- If a room number and “Live Zoom” are noted in the room column, then the course will be delivered synchronously via Zoom, but a classroom has been reserved for students to participate from their laptops, if desired.

o Example:

Course Number	Course Title	Credits	Time	Day	Room	Instructor
DEF 1002 001	App. of DEF	3	3:00-5:50	T	150/Live Zoom	Professor B

- If the course listing includes “asynchronous” in the time column, “N/A” in the day column, and “asynchronous” in the room column, then the course will be offered asynchronously only (pre-recorded) and there will not be a specific class meeting time.

o Example:

Course Number	Course Title	Credits	Time	Day	Room	Instructor
GHI 1003 001	GHI Methods	3	asynchronous	N/A	asynchronous	Professor C

Please also review any asterisks (*, **, ***, etc.) for additional information regarding course delivery mode, expectations for the course, and other relevant information.

The instructor will provide further meeting information and instructional delivery format details in the syllabus, if not indicated below.

Remember, masks are required for all individuals in the building.

Please go to <https://www.ouhsc.edu/coronavirus/Campus-Updates/Article/covid-19-screening-and-reporting-tool> for the most up-to-date requirements for returning to campus or a University-related function or obligation.
