

OU Hudson College of Public Health-OKC
Spring 2022 Class Schedule
 February 14, 2022 – May 13, 2022

COVID-19 Update as of February 11, 2022: In accordance with updated University policy, our College requires everyone to wear paper surgical, KN95, or N95 masks in any indoor OU Health facilities or OUHSC facilities until further notice. Paper surgical and KN95 masks are available in all HSC buildings at the main entrances. In classroom settings: seating will be adjusted to ensure all students maintain a minimum of six-foot social distancing. Social distancing remains recommended for other in-person meetings. Finally, food offered at indoor events must be take away only until further notice.

Spacing in Classrooms and Inside the Building – Classroom seating will be adjusted to ensure all students maintain a minimum of six-foot social distancing.

Accommodation requests specifically requesting flexibility to attend classes virtually due to an underlying medical condition that places the student or a household family member at increased risk for severe illness with COVID-19, should be sent directly from each student to the course instructor and from there to Dr. Sara Vesely and Joey Geresi.

Interprofessional Education Requirement: All OKC MPH and MHA students are required to participate in campus-wide Interprofessional Education All Professions Days; one in the Fall and one in the Spring. (This is a graduation requirement. All MPH and MHA students are expected to participate in at least two All Professions Day events prior to graduation.)

All Professions Day- February 25, 2022 (virtual)
