

OU Hudson College of Public Health-Tulsa

Fall 2021 Class Schedule

August 23, 2021 – December 17, 2021

All incoming MPH and MHA students are required to participate in the two campus-wide Interprofessional Education All Professions Days OR Tulsa students can participate in the Summer Institute (August 15th – 18th) instead of attending the two All Professions Day events. (This is a graduation requirement. All MPH and MHA students are expected to participate in at least two All Professions Day events OR the Summer Institute.)

All Professions Day- September 10th (virtual)

Summer Institute: To participate, you must commit to the entire experience, which will begin Sunday afternoon, August 15th and continue as an all-day event Monday through Wednesday, August 16th -18th. Tulsa MPH students who complete the Summer Institute have the option to additionally enroll in a Directed Reading for academic credit that is tied to the experience. (The Registration deadline has passed. If this experience is something you'd like to do, please contact Dr. Marianna Wetherill).

Return to In-Person Instructions and Operations: As of August 6, 2021, our plan is for most Fall 2021 instruction to take place in-person at the OKC campus, unless the course is otherwise designated (see below for details).

COVID-19 Update:

In accordance with updated CDC guidance, University policy, and state law, our College strongly encourages vaccinations and masking indoors, regardless of vaccination status - noting these are the best ways that we can protect each other during the pandemic. We also encourage social distancing, when possible. Masking continues to be required in transit buses and shuttles in compliance with Department of Transportation mandates.

BIostatistics & EPIDEMIOLOGY

| Course Number | Course Title | Credits | Time | Day | Room | Instructor |
|---------------|--|---------|-----------|-----|----------|------------|
| BSE 5113 002 | Principles of Epidemiology* | 3 | 4:30-5:50 | T | SPP 3109 | Williams |
| BSE 5163 002 | Biostatistics Methods I | 3 | 6:00-8:50 | W | SAC 1D18 | Bell |
| BSE 5363 002 | Epidemiology & Prevention of Chronic Disease | 3 | 3:00-5:50 | M | SPP 3109 | Mushtaq |

* This will be a hybrid course. Students are required to view online modules each week before the in-person class session.

| Variable Credit Courses: | | Instructor | | Section Numbers: | |
