

PUBLIC HEALTH GRAND ROUNDS (VIRTUAL)

ELISA T. LEE LECTURE

COVID-19

Vaccine Development

Julie E. Ledgerwood, D.O.

Dr. Ledgerwood is the Deputy Director, Chief Medical Officer, and Chief of the Clinical Trials Program for the Vaccine Research Center, NIAID. Dr. Ledgerwood has 16 years of clinical research experience and is responsible for VRC clinical research strategic planning, research activities, regulatory strategy, compliance and regulatory operations. She leads a team of 64 clinical researchers and regulatory experts and has conducted more than 60 Phase 1-2b clinical trials studying vaccines and monoclonal antibodies targeting pathogens such as HIV, influenza, Ebola, malaria, Chikungunya, and Zika in over 13 countries. She has authored more than 85 publications and received numerous awards for her work. She is board-certified in allergy and immunology by the American Board of Allergy and Immunology.

September 30, 2021 12:00 PM
